

THE JEWISH FEDERATION'S 10TH ANNUAL FESTIVAL OF LIGHTS TOY AND BOOK DRIVE

November 2 - November 30, 2015

If you drop off holiday gifts of toys and books for children whose families can't afford them, we'll deliver the fun.

Bring new or like-new toys and books for children of all ages. Teens love gift cards, sporting goods, and beauty supplies. Your much-needed donations will go to kids and families throughout Los Angeles served by community partners of The Jewish Federation.

To schedule an appointment to drop off a donation at either our City or Valley Federation office, please contact Beth Kaiser at (323)761-8331 or BKaiser@JewishLA.org

The Jewish Federation supports and sustains the Jewish community and ensures the future we share. Through our unique, life-changing programs and initiatives and working with partners, we impact hundreds of thousands of lives locally, in Israel and more than 70 countries.
