

It Takes A Havdalah...

and a village to raise a child.

Whether your child is a current student or an alumni student, we are all blessed to be a part of the village we now call Ilan Ramon Day School.

As parents we are always looking for ways to connect our children to their friends, to their teachers and to their community. Children learn from example and when we as adults feel connected, our children do too.

Let's come together and celebrate Havdalah as a community.
